

routines::eval_electrons

```
graph LR; A[routines::eval_electrons] --> B[routines::ws_integral]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'routines::eval_electrons'. The right box is white and contains the text 'routines::ws_integral'. A dark blue arrow points from the right side of the gray box to the left side of the white box.

routines::ws_integral
